

XT285 TREADMILL

Folded View

Optional Extended Handrails

XT285 Treadmill – Built for Performance, Designed for Comfort

The XT285 features a spacious 20" x 60" (51 x 152 cm) running surface, providing ample room for a comfortable stride. Its 3.25 HP motor, supported by a lifetime warranty, ensures smooth, consistent power for every workout. The low-maintenance, pre-lubricated belt minimizes upkeep, so you can focus on your fitness goals.

Stay engaged with the bright 7.5" blue backlit LCD display, tracking key performance metrics while giving you access to 16 pre-set programs, 2 customizable workouts, and direct speed and incline buttons—perfect for interval training. With 12 levels of power incline, you can simulate hill training and customize intensity to suit your goals. Handrail-mounted controls, Bluetooth connectivity, and pulse contact grips enhance convenience, while a range of safety features—including a child lock, safety key, deck lift assist, slow deploy system, and optional extended handrails—ensure a secure workout experience

FEATURES

- 7.5" bright blue backlit LCD with built-in USB charging port
