

XT685 TREADMILL

XT685 Treadmill – Built for Endurance, Engineered for Performance

Whether you're training for a marathon or upgrading your home gym, the XT685 is designed to go the distance. Engineered for durability, it features a 2-ply belt, low-maintenance deck, and 3" front and rear crowned rollers to reduce wear and ensure smooth performance. The spacious 22" x 60" (56 x 152 cm) running surface and 4.0 HP PowerMax™ drive motor deliver the power and stability needed for long-term, high-performance use.

Stay in control with the 9" ClearView™ multi-colour LCD display, which provides real-time workout data and access to 2 custom and 16 pre-set programs, including goal-driven Time, Calories, and Distance target programs. Direct speed and incline toggles allow for quick adjustments, making interval training seamless.

Designed for convenience, the XT685 includes built-in Bluetooth speakers, an adjustable cooling fan, and a USB charging port to keep your devices powered. The removable swivel-tilt tablet holder ensures your entertainment or virtual fitness classes remain in view without blocking critical workout stats.

From everyday training to intense endurance sessions, the XT685 is built to perform—so you can go the distance!

FEATURES

- 9" ClearView™ Multi-Colour backlit LCD with built-in USB charging port
- Built-in Bluetooth connects to apps, audio, and heart rate accessories
- Rocker-style handrail-mounted controls for quick changes to speed and incline
- Superior 4.0HP PowerMax™ Motor protected by a lifetime warranty
