

DUALS

CSD-ITOT INNER THIGH / OUTER THIGH

INNER

OUTER

The Inner Thigh and Outer Thigh machine saves floor space by offering dual hip exercises in one convenient design. Large thigh pads and foot supports provide comfort and stability throughout each movement. An integrated rep counter keeps users engaged rep after rep. Built-in storage on the top cap keeps accessories close, while a bar across the front of the weight tower assists with machine exit and entry.

CSD-ITOT INNER THIGH / OUTER THIGH

- Premium beveled pads with sport stitching
- 5 lb (2 kg) increment weight
- 170 lb (77 kg) graduated weight stack
