XT185 TREADMILL

XT185 Treadmill – Performance Meets Practicality

The XT185 delivers the perfect blend of sleek design and advanced functionality, making it an ideal choice for home fitness. Featuring a vibrant 7.5" blue backlit LCD display, it provides real-time workout feedback while giving you access to 12 pre-set programs, 2 customizable options, and direct speed and incline controls for seamless adjustments.

Powered by our durable PowerMax™ 3.0 HP motor, backed by a lifetime warranty, this treadmill ensures consistent performance. The 20" x 55" (51 x 140 cm) running surface offers ample space for a comfortable stride, while optional extended handrails provide added support for enhanced security.

Designed for convenience, the folding-frame system with Lift Assist and Slow Deploy makes storage effortless, and built-in transport wheels allow easy relocation. Integrated handlebar pulse sensors keep your heart rate in check, ensuring a safe and effective workout every time.

Upgrade your home workouts with the XT185—where performance, comfort, and reliability come together.
