XT485 TREADMILL

XT485 Treadmill – Power, Performance & Precision in Every Step

Designed for runners who demand more, the XT485 combines advanced features, rock-solid construction, and premium comfort for a truly elevated training experience.

Built for serious runners and fitness enthusiasts alike, the XT485 delivers power, comfort, and smart features in one sleek package. The vibrant 9" ClearView™ multi-colour LCD is Bluetooth-enabled and includes a real-time heart rate graph to help you stay in your optimal training zone. A USB charging port, Bluetooth speakers, cooling fan, and swivel-tilt tablet holder keep you connected and engaged throughout your session.

With 16 pre-set and 2 user-defined programs—including Target - Time, Calorie, and Distance options, the XT485 supports goal-driven training. The 22" x 60" (56 x 152 cm) running surface is powered by a 4.0 HP PowerMax™ motor, offering speeds up to 12 mph (20 kph). Quick-change console keys and rocker-style handrail shifters make interval work seamless. The folding frame includes Lift Assist and slow deploy for easy storage, all backed by a lifetime warranty on the frame, motor, and deck.

FEATURES

- 9" ClearView™ multi-colour backlit LCD with built-in USB charging port
- Bluetooth connectivity allows you to track your progress and connect to your favourite fitness apps
- Remote handrail-mounted controls for quick changes to speed and incline
- Spacious 22" x 60" (56 x 152 cm) deck with Lift Assist for easy storage
- Superior 4.0 HP PowerMax™ motor protected by a lifetime warranty
